

CLAYTON SNELL

FULL-STACK DEVELOPER

801-634-0172

claytontsnell@gmail.com

9745 Brassie Way Gaithersburg, MD 20886

Introduction

- Graduate of the fast-paced, University of Utah Professional Education Coding Boot Camp
- Highly motivated certified coder ready to apply learned skills for a company that wishes to improve their systems.
- Proficient in HTML, CSS, JavaScript, API's, SQL, ORM, MVC, Mongo DB, REST, MERN, and React.
- Since graduating, I have taken continuation materials and work on projects to hone my skills.
- I have an ardent desire to code for the rest of my life, learning any language necessary for success.

Experience

Carpenter, MWCC; Salt Lake City, Utah — 2018-2022

- Read construction blueprints, turning those blueprints into reality.
- Built upgrades to homes, namely decking, as well as some new construction.
- Measured, cut, and placed materials in builds that were cost effective and efficient.
- Answered directly to customers fulfilling expectations.

Driver, Edco; Taylorsville, Utah — 2015-2018

- Delivered diesel parts to various cities along Interstate-15, running south throughout Utah.
- Bought, owned, and maintained an F-350 flatbed truck with a twenty-eight-foot trailer.
- Loaded material from warehouse, delivering to several facilities in all types of weather.
- Made certain that customers were satisfied with the deliveries and deadlines were fulfilled.

Owner, Lone Lobo Construction, Colorado Springs, CO — 2010-2014

- Partial owner of a small construction company where we had three main contracts
 - Provided siding made for homes at the USAFA
 - Constructed readiness cages for Fort Carson
 - and built prefabricated homes for Fort Shriver Air Force Base.

Education

- University of Utah Professional Education Coding Boot Camp, November 2022

Skills

- Continual Learner
- Top 40 player of North Americans with a League of Legends character (Jungle main)
- Avid snowboarder
